Thursday, September 21
Hawk Ridge Field Trip (Adult Naturalist Program)
One of nature’s remarkable spectacles can be witnessed each fall in
Duluth, MN. Migrating raptors, originating from summer breeding
areas as far north as the Arctic and with wintering destinations as far
south as points in South America, concentrate in impressive numbers
at the western tip of Lake Superior. Join us as we travel to the Hawk
Ridge Bird Observatory to watch one of the greatest migrations of
birds of prey in North America. Meet at the Museum at 10:00 a.m.
and return around 4:00 p.m. Space is limited. Register by September
20. $10 member/$15 non-member.

Artist’s North Woods Retreat (Adult Naturalist Program)
Northland College and the Museum are partnering to put on this exciting new program! Join two talented and local artists, Diana Randolph and Jan Wise, for this artist’s retreat nestled among the old growth trees at Forest Lodge on Lake Namekagon in Cable, Wisconsin. Discover how to artistically represent your sense of awe and emotional response from being immersed in the pristine lake and forest environment of this unique Northwoods retreat. This workshop includes individual projects, guided exercises, field instruction, and personal work time. For more information and to register, visit www.northland.edu/event/

October
Wednesday, October 5
Fall Colors Hike to Juniper Rock Overlook
Enjoy the fall colors while hiking on one of the Northwoods’ most beautiful trails. Meet Naturalist Haley Appleman at the Cable Natural History Museum at 9:00 a.m. to carpool to the Juniper Rock Overlook, a 2-mile round-trip hike with a sixty foot cliff overlooking the Chequamegon National Forest. Expect uneven trails, dress for the weather, and bring snacks and water. Return by noon. Register by October 4. Donations accepted.

Thursday, October 6
Force For Nature Fundraiser for Exhibit Development
We hope you can join us for this new event! The Events Committee has been working to develop a new event that would retain a certain level of flexibility in its planning to keep the format fresh and fun each year. This first year Force for Nature Presents: Trivia Night! Enjoy dinner and a bit of friendly competition as tables compete against each other at trivial! Tickets are $40/person and can be purchased by calling the Museum.

Tuesday, October 11
Corner Basket (Adult Naturalist Program)
Join instructor Jean Carryl to craft this easy to weave corner basket, woven with a quarter circle wooden base and attached ball feet. It will be accented with smoked reed and Cherokee wheels around the top. 9:00 a.m.-3:00 p.m. at the Museum. Space is limited. Register by October 4. $45 member/$50 non-member.

Wednesday, October 12
Crex Meadows Birding Adventure (Adult Naturalist Program)
Join Museum Naturalist Haley Appleman for an afternoon at Crex Meadows wildlife area near Grantsburg, WI. We’ll spend a few hours in the afternoon exploring the marshes and brush prairies, looking for species such as trumpeter swans and rough-legged hawks. Toward dusk we’ll be able to see hundreds, if not thousands, of sandhill cranes as they move into the refuge from surrounding areas to roost for the night. Stop for dinner in Siren at Adventures Restaurant & Pub on the way home. Meet at the Museum at 12:30 p.m. and return by 9:00 p.m. Register by October 10. $30 member/$35 non-member.

Wednesday, October 13 through 14

December

Wednesday, December 7
Vanity Fair Basket (Adult Naturalist Program)
Join instructor Jean Carryl to craft this beautiful basket, woven on a racetrack-shaped wooden base. It is accented with dyed round reed and has 2 ceramic handles. 9:00 a.m.-3:00 p.m. at the Museum. Space is limited. Register by November 29. $45 member/$50 non-member.

Thursday, December 8
Dinner Lecture: Current Trends in Wolf Research and Management (Adult Naturalist Program)
Join Adrian Wydeven, Timber Wolf Alliance Coordinator, to learn about recent studies that examine wolf impact on vegetation and deer in Wisconsin and the Great Lakes area. In addition, Adrian will discuss social research on public acceptance of wolves and wolf management, and share recent developments in wolf management and how politics are affecting development of management policies in the state. Meet at 5:30 p.m. at the Rookery Pub. You may also join us for dinner and conversation after the presentation. Register by December 6. $5 member/$10 non-member.

Wednesday, December 14
Rag Rug Workshop
Scandinavian loop weaving is a simple and durable technique that uses no thread or looms, and turns trash into treasure! Bring old bed sheets or other fabric that can be easily torn into strips and a pair of sharp scissors. Two or three sheets will make a 2’x4’ rug. Some extra materials will be on hand. The class runs from 10 a.m.-noon. Younger students are welcome with an adult helper. Previous students may attend for a refresher and fellowship while rugging. Register by December 13. $5 member/$7 non-member.

Saturday, December 17
Christmas Bird Count
Volunteers are needed to assist the National Audubon Society in an annual winter bird census. Participants record and count birds and bird species within 15-mile diameter circles in the Cable and Hayward area from dawn to dusk. Bird feeders within the circles are also surveyed, so feeder counters are also needed. Please contact the Museum at 715-798-3890 or e-mail Naturalist Haley Appleman at haley@cablemuseum.org for more information if you are interested in volunteering.
