Cable Natural History Museum
Golf Classic 2020
Saturday, June 13

The Cable Natural History Museum invites you to play in the Museum’s annual golf event. We had so much fun last year with the scramble format, we are doing it again! The 18-hole tournament will be played on the Deerprint and TOIX courses, located midway between Cable and Drummond along Lake Owen Drive. The event includes lunch prior to golf and wraps up with refreshments, prizes and awards. Awards will be given for top gross and net teams.

The Cable Natural History Museum gratefully acknowledges the Johnson and Louis families for allowing us the use of their wonderful golf courses. Push carts are available, as well as a few motorized carts for those with special needs. Walking is encouraged!

Please note that the event is limited to 72 golfers. Registration by foursome is preferred. However, individual and couples’ registration will also be accepted and will be partnered with other golfers. Please complete the enclosed registration form and mail it with your check or call the Museum with your credit card info. Only paid registrations will be accepted.
